

# Join us for the 2009 Key West Marlin Tournament CABO Cup!

*The Key West Marlin Tournament and CABO Yachts present a special package for all CABO Owners in beautiful Key West!*

This exciting tournament is held each year during the Hemingway Days Celebration and is one of the premier fishing tournaments of the Florida Keys. For CABO Owners, this year it will be even better! The top team fishing the Key West Marlin Tournament in a CABO will be awarded the 2009 CABO Cup!

As an added bonus, we have arranged for a unique venue to create a CABO Owners Village during the tournament. Fifty slips have been reserved at the Key West Harbor Yacht Club with a special dockage rate of only \$1.50 per foot per day for CABO Owners only. That's less than half of the going rate in the Key West area! Each slip holder will receive all the privileges of the yacht club and use of all the facilities; including swimming pool, fitness center, bar and restaurant, and van transportation to the tournament area at the Key West Seaport. Along with the special dockage rate you will receive a fuel discount and electric for your slip provided at cost. To view this beautiful facility, go to the sponsor page on our web-site.

We have also arranged a special room rate package with our hotel sponsor, The Double Tree Grand Key Resort. As a bonus, transportation to the tournament events and the Key West Harbor Yacht Club is included.

Please fill out the application below to reserve your space at the CABO Owner's Village so we can make all of your arrangement. If you are fishing the tournament please register on this site. If you have any questions, please call the special CABO Owners phone number at (305) 509-8406.
