WELCOME

Welcome to the 2020 STOCK ISLAND MARINA VILLAGE KEY WEST MARLIN TOURNAMENT.

This year marks our 38th anniversary of the tournament and my 22nd year as your chairman.

After 21 years of directing the tournament, we thought we had encountered just about anything that could happen. Then COVID-19 caused us to rethink everything. However, after listening to your input, we believe that you are happily anticipating this year's sport fishing tournament.

To adapt to CDC precautions, we've made arrangements to ensure everyone's safety while we enjoy the traditional fun and camaraderie of the Tournament.

We're hosting the activities on the event lawn of the Perry Hotel, which has its own parking lot. A large, fully airconditioned and Hepa-filtered tent with double glass doors will give us ample space for social distancing. We will check your temperature at the door, and give you a custom Tournament facemask. The barbeque dinner on Wednesday, July 23, and banquet and awards presentation on Saturday, July 25 will all be held in our private tent, and you have the option of either dining in, dining outdoors, or taking the boxed meal to your location. What hasn't changed is our \$50,000 in guaranteed cash prizes!

Welcome aboard to all of our first-time and returning participants. I know we will have a great week and fine competition.

Tight lines and fair seas,

Tim Greene,

All Decisions By Rules Committee Will Be Final

3. ENTRIES: The entry fee will be \$2,100. Entries will be accepted up until the start of the Captains' Meeting at Stock Island Marina Village, on Wednesday, July 22, 2020 at 6:00 p.m.

Entry Refusal: The Tournament Committee reserves the right to refuse tournament applications or entry from any prospective entrant with or without cause in its sole discretion. Entrants and/or entrants proposing to fish on boats that have been barred from other fishing tournaments can expect to have their entry rejected. Any applicant refused entry shall be entitled to a refund of entry fee.

4. THIS IS AN OPEN EVENT: Professional Guides, Captains, and Mates are eligible to participate as anglers.

5. All tackle must meet specifications for each category.

6. Angler must hook and play fish without help. Rod, reel and line must not be touched by anyone until the leader is brought within the grasp of the angler, other angler, captain or mate at which time more than one person is permitted to hold the leader.

7. Fish injured or mutilated are not eligible.

8. Double line, if used, must leave rod tip during the fight and fish must be fought most of the time on specified class line.

9. Line Test Limits: It is the responsibility of the angler to insure that the proper test line is used. Line test limits must be adhered to. Manufacturer's stated test line is a maximum of 130#. Lower test line may be used, but no bonus is awarded for using lower test line.

that day. The boat must provide to the weigh master a means to download the camera to the official records of the tournament, this can be achieved by either having a removable sim card or having a cord to download to a computer. All fish caught and released should be photographed several times during the fight and at the time of release. Failure to photograph a fish may result in disqualification of that particular fish. In the event that a camera malfunctions or some other unusual circumstance results in no photographs, the angler may petition the Rules Committee to have his catch allowed. The Rules Committee may request special polygraph tests or other corroborating evidence that would help validate the catch. The decision of the Rules Committee is final.

2. LINE / LURE—Boats which have caught and released a target species must turn in the camera, along with the leader, or a portion thereof, the doubleline, and at least 10' (ten feet) of the single line closest to the double line after each day's fishing. 3. POLYGRAPH— All winning teams may be subject to and must pass polygraph testing. Refusal to take the test will result in disqualification. B. Fish must be fought on the specified class line (i.e. the double line and the leader must leave the reel) for the majority of the time the fish is hooked-up.

C. The fish must be brought close enough to the boat for the mate, angler, or captain to touch the leader (and photo should be taken of the fish at this time) to qualify as a catch and release. After the leader has been touched, the angler may continue to fight the fish in an effort to tag it. If possible, multiple photos of the fish, angler, and tag should be taken. 4. Cameras and line must be submitted within two and one-half (2 1/2) hours after the Committee Boat calls for 'Lines out of the Water'. An exception to this rule will be allowed in the event that a 'Hook-up' was reaffirmed with the Committee Boat at the time of 'Lines out of the Water' in which case the camera and line may be submitted up to two and one-half (2 1/2) hours after the Release time reported to the Committee Boat but no later than 5:00 p.m. on the final day of fishing.

ACTS OR SITUATIONS THAT WILL DISQUALIFY A RELEASE:

PROTEST

All protests must be in writing and submitted to the Rules Committee on the day of the alleged violation with a deposit of \$500.00. If the alleged violation is upheld, the deposit will be refunded. If not upheld, the deposit will not be refunded. The decision of the Rules Committee will be final.

DOLPHIN— 1 point per pound. i.e. 38.5 pounds scores 38.5 points.

WAHOO— 1 point per pound.

TUNA, YELLOWFIN, BLACKFIN, and SKIPJACK— 1 point per pound.

Minimum weight on dolphin, wahoo and tuna is 15 pounds.

5. In the event of a tie on points, the boat with the earliest catch or release time on their last scored fish will be the higher placed boat.

6. Boats entered in the Marlin Division of the Key West Marlin Tournament may pay an additional \$450 entry fee to compete for a total of \$10,000 in cash prizes for the three heaviest dolphin, wahoo, and tuna (yellowfin, blackfin, and skipjack), in the Fun Fish Division. Minimum weight for these species is 15 pounds. All dolphin, wahoo, and tuna, must be weighed at the Stock Island Marina Village in the Historic Seaport within two and one-half (2 1/2) hours after the Committee Boat calls for 'Lines out of the Water'. Boats wishing to weigh-in dolphin, wahoo, or tuna should notify the Committee Boat that they are bringing in a fish to weigh. Wahoo, dolphin, and tuna may be transported to the weigh station by land or by sea, thus allowing boats fishing out of Big Pine and the Lower Keys to return to their home dock and bring their fish to the Stock Island Marina Village by car or truck. The Weighmaster's announced weight at the time of weigh-in will be entered into the record as the official weight and the Captain and/or Angler will be asked to witness the weight. In the event of a tie, the boat with the earliest fish weighed in will be the higher placed boat. It is not necessary to turn in camera, line, and leader for these fish except for sailfish release where the video must be turned in.

TOURNAMENT WINNERS

1. Cash prizes totaling \$40,000 will be awarded to the three boats with the highest points in accordance with the Tournament Scoring System.

2. Cash prizes totaling \$10,000 will be awarded for the three heaviest dolphin, tuna and wahoo weighed in by the boats entered in the Fun Fish Division.

TOURNAMENT HISTORY

It is interesting to me that when people think of Ernest Hemingway, Key West immediately comes to mind, but when thinking about Hemingway fishing for giant blue marlin they usually don't connect marlin fishing and Hemingway with the gulf stream south of Key West. Founders of the Key West Marlin tournament Capt. Norman Wood and Wayne Hunt believed that marlin fishing in Key West could rival marlin fishing in many other spots in the world. Did Hemingway know about the great marlin fishing off Key West 40 years before? You bet he did! It wasn't to prove the point but in 1981 Norman Wood invited Miami herald writer Jim Hardie to Key West for a trip aboard the Petticoat III. Little did they know this trip would make history. After that fishing trip the Miami Herald headline read; "Hemingway Never Had It So Good". When the Petticoat III returned to Oceanside marina in Key West, four marlin flags flew from the outrigger; three release flags and a fourth a silhouette of the captured blue marlin weighing 285 pounds. The released marlin were estimated at 150, 275 and 400 pounds. As exciting as that trip was, the full story was even more unbelievable. Seven blue marlin were hooked on that day, setting the stage for one of the greatest fishing tournaments in history. Shortly after that historical day of fishing aboard the Petticoat III, another Key West sportfishing boat recorded nine blue marlin hook-ups in one day. News of the red-hot marlin fishing on the Key West Wall spread through the sport fishing community like wild fire.

THE KEY WEST MARLIN TOURNAMENT IS BORN

In 1982 the inaugural Key West Marlin Tournament took place October 23-October 25 with 92 boats and 400 anglers testing the waters south of Key West on the Wall. It was a rousing success.

1982 was the year of the 400 pounders with first prize going to Key West attorney Jack Spottswood with a 462 pounder, aboard the Chelsea. Micky Rupp aboard his boat Rupp Rigger was the winner of the tag and release division with two marlin.

1983 was the year of the 300 pounders. Only 4 ounces separated the first and second place marlin winners and only 23 pounds separated the first through eighth-place marlin. Aboard Captain Dick Myers Fair Star angler Harold Shappel landed a 328.12 pound blue marlin to claim first place. Navy Captain Red Best commanding officer of the NAS Key West Base won the marlin tag and release division fishing with Captain Junior Rendueles.

1984 was the year of the 500 pounders. Mary Jo Spence landed a 500-pound blue marlin to claim first place fishing aboard the Mary Jo with captain Matt Borkowski. A second 500-pound blue was weighed in on the last day of the tournament to take second place based on time of

TOURNAMENT HISTORY

catch. Angler Kent Smith aboard Capt. Frank Smith's Renegade was the tag and release champ with two marlin releases.

1985 was the year of excitement and variety of catches. Angler Charles Lewis fishing aboard the Amours with Captain Jr. Rendueles captured the winning blue marlin with a 466.8 pounder. Shirley Wood fishing aboard the Petticoat III with her husband Norman took top honors for most releases.

1986 was the year of the small boats with two marlin in excess of 300 pounds being caught in 25-foot boats. Angler Findlay Sinclair's 348.75 pound blue marlin took first place, he was fishing aboard the Katherine Louise with Capt. Tom Walker and Ed Allie. The second place weight marlin went to angler Ramón Rodriquez and Capt. Pat Tuper. Bill Voegeli's two tag and releases were tops overall. First tag, Sonny Boy, Sonny Tilman. Second Tag, Sea Boots, Capt. Jim Sharpe and angler Todd Badd.

1987 was the year of the 500- pound blue marlin, as predicted in the welcoming letter prior to the tournament. A new tournament record was set by angler Rosie Morrison fishing aboard the Sea Boots with Captain Jim Sharpe, Rosie's marlin weighed in at 520 pounds. Angler Gene Stone took top honors in the release division.

1988 returned to the year of the 400-pounder. Angler Walter Milo fishing with Captain Jay Weed aboard the Lucky Two landed a 422.25-pound blue marlin to make the winners circle.

1989 was once again the year of the 300-pounder. Angler Roy Spear fishing with Capt. Patrick Sheppard aboard the Dream made the winners circle with a 300-pound blue. Angler Tim Greene fishing aboard the Beachcomber with Capt. Mike Cyr took top honors in the release division.

1990 was back to the 500-pounders and a new tournament record. The brother team of Captain Bryan Bennett and Glenn Bennett fishing on the Thunnus captured a blue that weighed in at 570-pounds. The release honors went to the Sea Boots 34 angler Chuck Stitzel and Capt. Todd Badd.

1991 featured all releases; first marlin release was angler Tom Daniels and Capt. Larry White fishing on the Chief, second marlin release went to angler Scott Ricket on the Serenity and the third marlin released went to Warren Worlin Sr., fishing with his son Warren Worlin Jr. on the Go Gether.

1992 Angler Steven Lewis and Capt. Lindsay Forde on Freebee won first place, angler Phil Eaton and Capt. Ky Lewis on the Dazie Mae came in second and angler Dennis Captik and Capt. Bill Wickers aboard the Linda D IV took home third place.

2018 KEY WEST MARLIN TOURNAMENT

The 2018 Key West Marlin Tournament was a battle down to the end with six boats in contention for the top three spots. Fishy Business released a sailfish for 50 points but was unable to get a marlin which left them in sixth place overall and The Helm who had 69.2 points going into day three wasn't able to catch a marlin either leaving them in fifth place overall. However, it was Floridian who caught and released a blue marlin on day three to put them in second place and knock Mary Jo to third place and Cracker out of the top three and into fourth place. Paved For weighed in a 23.1 lb. wahoo which was enough to keep them in first place when combined with their previous day's marlin and fun fish points. In addition to their first place overall trophy, Paved For took home the first place dolphin and second place wahoo in the Fun Fish Division. Pretty impressive results for the Paved For team taking home three trophies!
